

Wood's Gran 900

Air purifier for offices and large rooms.

- **The most powerful air purifier on the market.**
- **Purification rate: 99,98%.**
- **Air flow of 900m³ per hour.**
- **Purifies 588 m³ of air from pollen particles per hour.**
- **Made in Sweden.**
- **Up to 10 years warranty.**

Dust, pollen and other harmful particles accumulate indoors, and poor indoor air quality can lead to health problems such as allergies, fatigue and reduced concentration. Wood's GRAN 900 is one of the most powerful air purifiers on the market and is designed to create a healthy indoor climate in large spaces. With an airflow of 900 m³/h and dual Active ION HEPA filters, it has a purification efficiency of 99.98%. It has low energy consumption, quiet operation and is manufactured in Sweden with up to a 10-year warranty.

Technical specifications

Maximum work area	80 m ²
Sound level	30-60 dB (lowest to highest)
Filter	Actice ION HEPA
Carbon filter	Yes (not included)
Degree of purification	99,98%
CADR Pollen	588 m ³ /h
CADR Dust	555 m ³ /h
CADR Smoke	552 m ³ /h
CADR/Watt	7,9
Net Weight	15,4 kg
Dimensions mm (H x W x D)	220x565x615
Main material	Steel
Power consumption	24-80 watts
Warranty	Up to 10 years
EAN	WAP901-EU
Article number	7332857000586

Wood's article number: WAP901-EU
